

Roscoe's Rangers Membership Form

I _____ agree to serve as a member of Roscoe's Rangers Citizenship Team. Each member understands the responsibility of being a Ranger & agrees to follow the rules of the course & the 8 rules listed below. All members understand that they serve as a role model for not only fellow Rangers but all guest & staff at Cen-Tex Mini Golf.

There are 3 levels in the Roscoe's Ranger membership program each with its own reward at completion of that level. You must complete level #1 to advance to #2 & complete level #2 to advance to #3. At any time during membership you can remain at the completed level of your choice if you do not want to go to the next level. Rewards stay the same at each level no matter how many times you repeat. Rewards for each level will be subject to change at anytime with the discretion of staff and when necessary with consent of the parent/adult.

All members will present their membership card when they check in each time at the counter while getting their putters & balls. Each time you play at Cen-Tex Mini Golf the membership card will get hole punch for that round of play. If you do not behave as a Ranger should a staff member can take your membership card and you have to start over at the level you are currently at.
